## TESTIMONIALS

"Our son is a good player but was always a touch shy. The format of fun based sports activities organized by QSports have made sure my son got rid of his inhibitions and now he is confident while playing with the School teams."

Laila Noor, Parent  
QSports Academy

"QSports led me to opportunities that I didn't even know existed. It was a dream to play in front of a packed stadium and what more could I ask for when my team was a group of friends from the neighborhood playing in front of 5000+ people. Thank you QSports!"

Kofi Timothy, Player  
Qatar Workers Cups

"QSports have uncompromisingly high standards in the delivery of their activities, ensuring the children get a lot of enjoyment from them and this is one of the things that set QSports apart from the rest. You genuinely care."

Sara Campbell, Parent
